## ST LUKE'S RE-ORDERING PROJECT 2012

### NEW CHAIRS AND KNEELERS TAPESTRIES

The Church Council (PCC) are pleased to report that the final phase of the re-ordering project is still on schedule (and on budget) for our first joint service to be held on Sunday 1st April at 10.30 am with the Bishop of Warrington.

Over the next few weeks we will be making a wider appeal to the local community, our suppliers and past members inviting them to buy a chair or contribute to our tapestry.

We fully appreciate that many have already given to the re-ordering and will not wish to give any more at this stage. However, we simply wanted to inform you of this appeal and give you further details.

**CHAIRS:** Purely as a guide the price of a new chair is £100, while the stackable chairs, to be used when we are expecting a larger congregation, cost nearly £50.

**KNEELERS:** It has been agreed that kneelers will be available on request to anybody who wishes to use one at our services. However, it is likely that we will not need them all and so the 30 different kneeler designs will be turned into two hanging tapestries which can be displayed. This will cost £1300.

Anyone making a donation will receive a certificate as a permanent reminder.

If you would like to support either of these projects, please fill in the form overleaf and return to Eric Linford.

Pete Spiers (on behalf of the PCC).
